***“little by little, a little becomes A LOT!”***

*Tanzanian Proverb*

As part of the 2014 Work Well Challenge, DHRM would like to encourage all DHRM employees to participate in a Donation Drive for the Utah Food Bank or the Utah Road Home. We are setting two donation goals for this year to give us a something to reach for. Participation is voluntary of course but every little bit counts.

## *Challenge 1 - Donation Drive - Summer Meeting, September 11*

- DHRM's goal is 500 donated items (approx. 4 items / DHRM Employee)
- Select from the lists provided below and donate what you are comfortable with

**The need lists are located below:**
